Join the NEW Neighborhood Watch Program

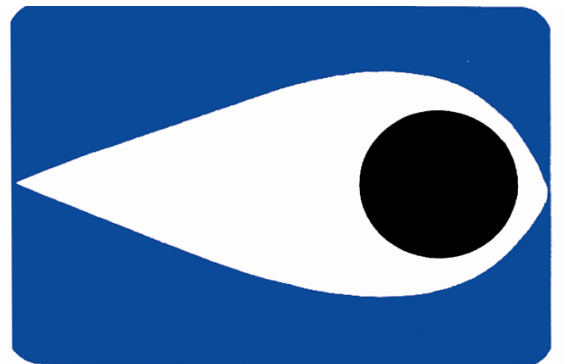

Several residents have expressed concern over events happening in our community. We all want Country Lakes to be a safe place to live and raise families. The HOA is listening and responding to the demand for an increased law enforcement or community outreach presence around the neighborhood.

We have formed a new Neighborhood Watch Program (NWP), led by volunteer resident Zach Brightwell.

We appreciate Zach's willingness to take on this responsibility and are looking forward to community participation to make this a success.

Zach has been in discussion with the St. Mary's County Sheriff's department on how best to move forward and how to work together to ensure safety for Country Lakes residents. We need your help! We understand you are busy with life in general, but being part of the NWP doesn't require much effort. Your involvement may require nothing more than communicating with the NWP when you see something that doesn't seem right. We can all help to make our community a better, safer place to live.

If interested in learning more about the NWP, please email WATCH@CLHA.ORG or leave a message on our voicemail at 301-884-7297.

Your Feedback is Valuable to Us! Our volunteers try their best to respond timely to Facebook messages, voicemail messages, e-mails, and form submissions. We urge you to participate in our monthly meetings, where a local police officer listens to our needs and concerns. The bigger presence we have at these meetings, the better change you will see in your community. Thank you.

2018 Dues Notice

Your 2018 dues statements will be mailed on June 1 and the annual dues are \$51.53 for the 2018 year. To avoid late fees, please submit payment by July 1. We appreciate everyone that contributes every year to the upkeep of our community.

Join the Board - or just attend a meeting!

Monthly HOA meetings are held on the second Tuesday of each month. Our next meeting is Tuesday, April 10th at 6pm at Christ Church Parish Hall on Zach Fowler Rd. Please consider attending a future HOA meeting. It truly is the best way to make a difference in your community.
