Ending Results of 2025 Events:

- A. **Yard Sale** – With the rain date having to be used the following Saturday, the members finally got through the yard sale. Talking with the members who did participate, this went well. Thank you to those that participated and helped!
- B. **National Night Out** – Oh My GOD, thank you for the better weather we had as not having to deal with the extreme heat. So many members and their family came out to enjoy a wonderful evening with so many services that also came out to talk and hand out trinkets for anyone that wanted them. Kids games were played, food was served, drinks were available, neighbors met other neighbors for the first time, and everyone was left in high spirits and smiling. Professional Organizations from St Mary's County that came out were MedStar St. Mary's Hospital, Department of Natural Resources (DNR), St. Mary's Hospital Department of Cancer & Stroke, St. Mary's County Crime Solvers, St. Mary's Rescue Squads, St. Mary's Fire Department, St. Mary's Animal Control, St. Mary's Sheriff's Department, Maryland State Police - Trooper 7 arrived later and greeted by so many. Thank you, volunteers, board members, and professionals, for helping to entertain the 300 plus that attended. This would never work without everyone taking part. THANK YOU!!!
- C. **Yard Sale** – The Fall yard sale was very successful as many members had yard sales at their home, and many turned out to be set up at the park. Thank you to all who also picked up their methods of advertisement.

- D. **Trunk or Treat** - Truck or Treat had 6 automobiles handing out treats. About 80 treaters came through to receive treats. The people that did participate had a wonderful time, anything to keep the kids happy! The board is unsure why attendance was so low as in past years. Price of candy? Kids are not so young any longer? The neighborhood is turning into older generation? We will talk about how to move forward at the upcoming meetings.
- E. **Scouting For Food** – The board has not heard any comments as to how this event did this year.
- F. **Meet and Greet** – The Meet and Greet did take place with four members and the board at the pavilion. With not having a quorum present, the board ran another 30 days' notice advising a new date for the board election. On the new date for the elections there was not a quorum present, but the lawyer stated we could have the election as in past years because there has never been a quorum for the election. This event is advertised in the quarterly newsletter, 60-day notice given in the Bay Net, and Lighted sign. Election results: **President** – Andrew Therrien, **Vice President** - Elaine Green, **Treasurer** – Jim Loveless, **Secretary** – Quiana Johnson Ball - Appointed
- G. **Santa Visit at The Park** – Thank you to all who attended and had a chance to talk to Santa Claus. This event happened on a very cold day and attends was low. In past years the board has moved this event to Christ Church in Chaptico MD, but there were no attends. Candy canes were given to each child, and hot chocolate or hot cider was given to all who wanted. There were also activities for the little ones if they wanted.
- H. **Home Christmas Decorating Contest** - The winning homes for doing a wonderful job making their homes look like Christmas are: 27090 Mill Seat Drive, 37069 Asher Road, & 26975 Cox Drive.
